## Covid 19 hygiene actions

### Background

The Mitre 10 Park is responsible for the contact tracing of its users and the sporting tenants (netball, hockey etc) are responsible for contact tracing of their users.

Mitre 10 Park will regularly clean common areas that are accessed by the general public and other users. Changing rooms in the grandstand and sports fields will be closed until competition resumes, because Mitre 10 Park does not have sufficient control over when the changing rooms will be used by sporting tenants.

We will also take a number of preventative measures including signs and availability of hand sanitiser.

### Objectives

- Clean surfaces regularly to avoid spread of virus
- Encourage good hygiene practices
- Implement effective contact tracing

#### 1. Cleaning

area	Process and frequency
Grandstand foyer door handles	Leave the doors open Spray and wipe handles. Morning, midday and evening <b>Jock/Sarah</b>
Grandstand changing <ul style="list-style-type: none"><li>• Used by Armoury gym only for morning and lunch time classes</li></ul>	Morning class uses changing 1 (male) and 3 (female) <b>Jock/Sarah</b> to lock on arrival at 8am  Lunch class uses changing 2 (male) and 4 (female) <b>Jock/Sarah</b> to lock after lunch  <b>Ena</b> cleans in evening and opens changing 1 and 3 for following morning
Grandstand outside toilets	Morning, midday and evening  <b>Ena</b> to clean in evening <b>Jock/Sarah</b> to wipe handles and taps at lunch time
Hockey dug out area	Disinfectant common areas once per day <b>Ena</b>
Sports field outside toilets	<b>Ena</b> to clean in the evening
Sports field changing rooms	Keep closed on level 2

## **2. Other hygiene initiatives**

Place sanitiser in high use areas:

- Inside grandstand foyer
- On wall by outside toilets

Put signs on changing room doors

Leave doors and gates open to avoid overuse of handles

Put signs on rubbish bins to say take your rubbish with you

## **3. Other**

Get signs to manage

- Signs for Netball and Hockey
  - *This venue is for organised training only. No public use*
- Public use of the Park
  - *The Park may be used in accordance with Covid 19 restrictions, in particular 2 metre spacing between people*
